*Cervical vertebral stenotic myelopathy
(medical and dietary management and OA of facet)*

16.30 - 16.45

Discussione e chiusura dei lavori

STEPHEN REED

DVM, ACVIM

ROOD & RIDDLE EQUINE HOSPITAL
OHIO STATE UNIVERSITY EMERITUS PROFESSOR

Dr. Stephen Reed graduated from The Ohio State University College of Veterinary Medicine in 1976. Following graduation, Dr. Reed served as an intern and then resident in equine medicine and surgery at Michigan State University. He accepted a faculty position at the College of Veterinary Medicine at Washington State University and later joined the faculty at The Ohio State University rising to Professor and was later named to the Jenne Professorship in Equine Medicine and Surgery.

Dr. Reed is widely recognized for his commitment to the horse, equine veterinarians and the equine industry. A diplomate of the American College of Veterinary Internal Medicine, he developed an interest in the specialty of equine neurology and became recognized as an expert in this area. He has written and spoken extensively on "wobblers" syndrome, equine protozoal myelitis, head trauma and the neurologic examination. In addition, Dr. Reed has authored or co-authored more than 150 peer reviewed publications. He is an editor of Equine Internal Medicine, now preparing its fourth edition. He has also co-edited with Dr. Martin Furr a textbook; Equine Neurology.

Since leaving Ohio State he continues involvement in teaching and research, as an adjunct professorship at UK. Current research involves EPM with Dan Howe at UKY and with Dr. Ramiro Toribio of OSU collecting prospective data on foals in the neonatal ICU unit of Rood and Riddle Equine Hospital. Dr. Reed has worked with Drs. Jennifer Janes and Jamie MacLeod in the investigation of cervical vertebral stenotic myelopathy with focus, on the pathology of this condition as well as the role of genetics in this important disease.

Il Dr. Reed sarà il relatore di un corso pratico di 2 giorni "Equine Neurology" a CAMPAGNANO DI ROMA (RM), organizzata dalla Equine Practice srl • **16 e 17 Maggio 2015**
